

# PUBLIC LEDGER

SEVENTH YEAR.

MAYSVILLE, KY., MONDAY, FEBRUARY 14, 1898.

ONE CENT.

LARGEST IN THE CITY.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can give his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

## A Warning to Money Savers

Our one-third-off-the-regular-price sale will positively close on the 15th of this month. To date this sale has proven the greatest we ever inaugurated. It is true that many of our finest garments were sold at actually less than cost. We have the proud satisfaction of knowing that the public believes in our newspaper statements. It would be to our interest to stop our one-third-off sale now, as we were relieved of our enormous quantity of merchandise in the past ten days, but we said the sale will continue until the 15th of February, and we always do what we say we will. It will be your loss and not ours if you do not avail yourself of the opportunity to buy the best of clothing for less money than you buy ordinary goods elsewhere.

## Purchase Extraordinary!

The Henderson (Ky.) Woolen Mills wanted to turn 1,300 pairs of Jeans Pants into spot cash. We were the only house here that would make an offer for such a large quantity. We got them. Next week, and only that week, —14th to 19th February— we will sell for SPOT CASH

## \$1.25 Jeans Pants for 85 Cents.

No more than two pairs to each customer.

## HECHINGER & CO

LEADERS IN FINE CLOTHING AND SHOES.

**Y. M. C. A. MATTERS.**  
What the Local Association is Doing For the City's Young Men.

A special meeting of the Women's Committee to make final arrangements for the Delegates' reception on Thursday evening will take place this afternoon at 4 o'clock at the residence of Mrs. M. C. Russell.

There was a good attendance at the Men's Rally yesterday afternoon, and because of the deep interest manifested and the general participation the service had to be prolonged fifteen minutes beyond the hour.

The local committee of arrangements will hold their final meeting previous to the Convention which opens on Thursday afternoon, at the Association Rooms tonight at 7 o'clock, at which time it is sincerely hoped that a sufficient number of homes for all delegates will have been provided. This morning accommodations for at least 30 to 40 more were still needed. Will every person who can possibly arrange to entertain delegates (gentlemen or ladies) kindly send in his or her name at once if not already given to the committee.

During the past few days the local Convention Committee have been canvassing the city to secure homes for those who come here next week as delegates to the State Y. M. C. A. Convention.

The response has been hearty and generous and thus far a little more than one hundred have been provided for. However, it will be necessary to secure accommodations for at least fifty additional to this number, and as only one or two days remain in which to complete the canvass, it is earnestly hoped that many other citizens will make arrangements to entertain delegates at their own homes or provide for them otherwise, and notify the Committee to this effect. The coming to our city of so many bright, earnest representative young men will not fail to prove of great benefit to Maysville.

The following friends have already agreed to entertain at their homes or provide entertainment at hotels or boarding houses, and in addition to these some others have partially promised to aid, and will let the Committee know today:

First Ward—B. W. Goodman, Holt Richeson, Mrs. Kate C. Ross, R. A. Cochran, W. H. Cox, J. M. Scott, I. M. Lane, C. E. Geisel, Lee B. Gray, Mrs. Julia Morgan, J. D. Dye, W. H. Wads worth, Thomas A. Davis.

## We All Know

There is a popular belief that eyes cannot be properly fitted outside of an oculist's office, but we are constantly proving the incorrectness of that belief. If you have a dull pain about the eyeball, or if, when reading, the letters seem to run together, call and be relieved. We charge nothing for examination, and guarantee satisfaction in every case.

## REDHOT TIME!

The Crow Family Defies the Powers of Lewis County.

### BLOOD AND FUN JUST AHEAD!

Saturday's LEDGER contained particulars of the killing of Mrs. Crow in an attempt to arrest some of the family by Officers Cropper and Thacker near Esculapia.

The officers went to Vanceburg and surrendered, their hearing being set for next Friday.

Meantime warrants were sworn out for the arrest of old man Crow and his two girls, charging chicken stealing, and a posse will go after them fully prepared for business.

The family had a fight over the body of Mrs. Crow about the possession of her money—\$160—which she had in her jacket.

Crow would not permit any postmortem to be held, and declared that he would kill the Coroner should he attempt it.

Mrs. Crow was buried Saturday at Mt. Tabor, and as the body was hauled through Flemingsburg in a rickety wagon Mr. Crow, two grown daughters and a small child sat on the rough board coffin, all armed to the teeth.

Mrs. Crow was born in Robertson county, and was a daughter of J. Mitchell English, whose family has become notorious all over this portion of the state. Her brother, John English, was shot by his brother George a few years ago. An other brother, Bill English, was killed two years ago by a man named Vaughn, and George English is now in Jail at Carlisle, charged with burglary.

The family moved from Robertson to Lewis county seven months ago, and it is said they were forced to leave the former place.

Mrs. Sophia Bode has been quite ill at her home above Aberdeen, and owing to her age, about 78, recovery is slow.

The total value of property left by William Reinecke, who recently skipped out from Louisville after wrecking the Kentucky Trust Company and scores of friends, has been returned at \$7,570 45.

Dr. W. T. Burdick is dangerously ill with pneumonia at Tollesboro.

Richard Young of Mt. Olivet is now in charge of the West Liberty Academy.

A company has been organized at Chicago to build an elevated railway costing \$2,000,000 to operate on the South Side.

## LETTER FROM A WARMER CLIMATE.

Mr. William Davis:  
Your Semi-Cannel Coal is O. K. It ignites quickly, gives a strong, steady heat and keeps fire splendidly. Then it is the only Coal that will effect that mark down here who used Pomeroy when he could get Kanawha at the same price. No more Pomeroy in mine. Excuse Uncle Runyan from Pomeroy. It don't make enough heat for me. They may fool me on a few things, but I can give 'em cards and spades when it comes to Coal. That's my long suit. Look out for my next letter. Will give 'em a pointer on that straight and narrow way, and tell how much cheaper Semi-Cannel is than any other Coal. There'll be a hot time down here from now on. Goodbye.
